PROFESSIONAL SUMMARY

Digital SAT Math Tutor with **4+ years of experience** teaching one-to-one, small-group, and online SAT Math classes. Experienced in working with international students across different starting levels, from students rebuilding core math skills to advanced students targeting **700–750+ SAT Math scores**. Skilled in diagnostic assessment, Desmos-based problem solving, error analysis, timed-test strategy, mock-test review, and individualized study planning.

SAT MATH EXPERTISE

Digital SAT Math • Algebra • Advanced Math • Problem-Solving & Data Analysis • Geometry & Trigonometry • Functions • Word Problems • Desmos Calculator Strategies • Diagnostic Testing • Error Analysis • Timed Practice • Mock-Test Review • Score Improvement Planning • 1:1 Online Tutoring

PROFESSIONAL EXPERIENCE

DIGITAL SAT MATH INSTRUCTOR AND CONTENT DEVELOPER

KIEC Learning Centre Pvt. Ltd. | Jan 2023 – Present | Part-time / Contract

- Helped students improve SAT Math performance by **150–200+ points** through diagnostic testing, targeted instruction, structured revision, and regular progress review.
- Increased topic-level accuracy from **58% to 92% within four weeks** for targeted students by identifying recurring errors and developing focused practice plans.
- Prepared students targeting **700+ SAT Math scores** using timed mock tests, advanced-question review, pacing strategies, and efficient **Desmos-based approaches**.
- Develop Digital SAT worksheets, diagnostic quizzes, topic-wise drills, practice questions, mock tests, and step-by-step solution materials aligned with current SAT Math domains.
- Deliver personalized one-to-one and small-group lessons based on each student's starting score, target score, learning pace, and recurring weaknesses.

REMOTE SAT MATH TUTOR

Connect My Expert | Mar 2023 – Present | Remote / Contract

- Tutored **80+ international students** through online one-to-one SAT Math sessions using Zoom, digital whiteboards, and online practice tools.
- Supported advanced students in reaching **750+ SAT scores** through high-difficulty practice, mock-test analysis, pacing improvement, and test-taking strategy.
- Helped students with weaker foundations rebuild skills in Algebra, Functions, Geometry, Data Analysis, and word problems before progressing to exam-level questions.
- Tracked student performance through homework review, mock-test results, accuracy trends, pacing analysis, and individualized correction plans.

Digital SAT MATH INSTRUCTOR

Abroad Education Consultancy Services | Nov 2021 – Present | Part-time

- Teach SAT Math with emphasis on Algebra, Geometry and Trigonometry, Functions, Data Analysis, and exam-specific problem-solving methods.
- Helped students progress from **500-level SAT Math performance to consistent 700+ practice-test results** through structured concept review and timed practice.
- Design full-length practice tests, topic-based drills, and revision materials to improve accuracy, pacing, and confidence.
- Provide clear step-by-step explanations and individual feedback to help students recognize and correct recurring mistakes.
