

ANUP ARYAL

PROJECT COORDINATION | CLIENT COMMUNICATION | TECHNICAL SUPPORT

Kirtipur, Kathmandu, Nepal | +977-9840054222

aryalanupme@gmail.com | [LinkedIn](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Economics postgraduate with a background in Mechanical Engineering and experience in project coordination, client communication, feasibility studies, cost estimation, and technical documentation. Worked on different engineering and infrastructure projects across Nepal, including cold stores, dryers, street lighting, and solar water-lifting systems. Also has more than four years of teaching experience with local and international students, which has helped develop strong communication, presentation, and problem-solving skills.

CORE SKILLS

Project Coordination • Client Communication • Technical Proposals • Feasibility Studies • Cost Estimation • Project Planning • Report Preparation • Technical Documentation • Presentation • Team Coordination • Problem Solving • Data Analysis • Client Follow-up

PROFESSIONAL EXPERIENCE

PROJECT COORDINATOR

Aastha Engineering Solution Pvt. Ltd. | Dec 2018 – Dec 2022

- Sold and coordinated the installation of **20+ cold-store systems** in different parts of Nepal, including client communication, quotations, planning, and project follow-up.
- Designed, manufactured, and installed **100+ small dryers and 15+ large greenhouse dryers** for agricultural and commercial use.
- Conducted **street-lighting feasibility studies in 15+ municipalities**, including technical assessment, cost estimation, report preparation, and project planning.
- Worked with **10+ engineering and consulting firms** to coordinate or supervise **50+ projects** in different sectors.
- Installed and coordinated **solar water-lifting systems at 25+ locations**, while also preparing technical proposals, cost estimates, project reports, and communicating with clients, suppliers, and technical teams.

Digital SAT MATH INSTRUCTOR

KIEC Learning Centre Pvt. Ltd. | Connect My Expert | Abroad Education Consultancy Services | 2021 – Present

- Helped students improve SAT Math scores by around **150–200+ points**, with several students progressing from around **500-level performance to 700+ practice-test scores** and advanced students reaching **750+ levels**.
- Teach Algebra, Advanced Math, Geometry and Trigonometry, Problem-Solving and Data Analysis, and Desmos-based Digital SAT strategies.
- Prepare Digital SAT worksheets, diagnostic tests, topic-based exercises, mock tests, and step-by-step solutions based on student needs.
- Use Zoom, Google Meet, digital whiteboards, and online practice tools while regularly communicating with students and parents about progress and study plans.

EDUCATION

Master of Arts in Economics | Patan Multiple Campus, Tribhuvan University | 2025

Bachelor in Mechanical Engineering | Thapathali Campus, Institute of Engineering, Tribhuvan University | 2018

CERTIFICATIONS

Licensed Mechanical Engineer, Nepal Engineering Council | License No. 4481 A

US Course Graduate (USCG), ICEF US Agent Training Course (USATC) ICEF / NAFSA | Graduate No. 00925

SOFTWARE AND TOOLS

Microsoft Excel • Microsoft Word • Google Sheets • Google Workspace • Cost Estimation • Data Analysis • Technical Report Preparation • Project Documentation • AutoCAD
